HungaroControl does not employ data processors for the processing.

II. Data security measures

1. Please be informed that the provided personal data shall be handled confidentially by HungaroControl, and these personal data shall not be transferred to third parties without your consent and without providing prior notice thereof to you, except for the statutory data provision to authorities and other bodies based on legislation.
2. Please be informed that the Company shall not use the services of other companies for storing the personal data. In the course of processing of personal data – in line with the applicable legislation – it takes such risk proportionate administrative and technical measures that prevent unauthorized and unlawful access to and modification of the personal data and also ensure verifiability throughout the data processing actions, both in terms of the manual and the automated data processing procedures. The Company also ensures that the data stored in the different records shall not be matched in a direct manner or identified with the individual data subjects.

III. Rights and legal remedies concerning data processing, contact

1. Please be informed that you have the right **to object** to the processing of your personal data. If HungaroControl finds that the protest is justified, it will terminate the data processing, including further data collection and data transfer, and block the data; and shall notify the protest and the action taken on it to all persons to whom the personal data concerned by the protest have previously been transmitted and who are obliged to take action to enforce the right of protest.
2. Please be informed that you have the right to ask the Company **to provide** your personal data and the information related to processing thereof **to you**. You may ask for copies of the personal data as long as requesting such copies does not adversely affect the rights and freedoms of others. Requesting of copies shall be free of charge on the first occasion, whereas the data controller may charge a fee based on administrative costs for every further copy.
3. Please be informed that you have the right to request the **clarification, correction or supplementation** of your personal data by sending a declaration, as long as the data are inaccurate, incorrect or incomplete.
4. Please be informed that HungaroControl shall **restrict** processing upon your request, if you contest the accuracy of data, if processing is unlawful, but instead of deletion, you request the restriction of processing, if the purpose of processing has been terminated, but you claim the data for the establishment, exercise or defence of legal claims, and if you filed an objection against the processing and the assessment of such objection is currently in progress. In the event HungaroControl lift the restriction of processing, they shall provide information thereof in advance.
5. Please be informed that the Company shall **erase** the processed personal data upon your request, if:
 - a) processing is unlawful;
 - b) the purpose of processing has been terminated or no further processing of data is required for attainment of the purpose;
 - c) the statutory data retention period has expired;
 - d) the erasure of data was ordered by law, authority or court.

6. Please be informed that you may claim **damages or aggravated damages** (compensation for injury to feelings) for the damages incurred as a result of unlawful processing or for personality right related damages.
 7. Please send the requests to the following e-mail address: szemelyesadat@hungarocontrol.hu
 8. HungaroControl shall assess the request submitted by you for enforcement of your rights, as soon as possible, but within one month at the latest, and shall inform you about its decision in writing or – if you submitted your request electronically – in an electronic way. If a repeated request is submitted in the same year for the same scope of data, and the underlying reason is not that the data are required to be corrected, deleted or restricted due to the omission or failure of the data controller, then the data controller may ask for reimbursement of its costs incurred in relation to the fulfilment of the request.
 9. If you are of the opinion that your rights have been violated in connection with the processing of your personal data, **you may initiate an investigation** at the Hungarian National Authority for Data Protection and Freedom of Information (1055 Budapest, Falk Miksa utca 9-11., postal address: 1363 Budapest, Pf. 9., ugyfelszolgalat@naih.hu, +36-1-3911400, www.naih.hu), or **you may turn to the court** of competent jurisdiction. The regional court having competence according to the registered office of the data controller shall conduct the legal action, with the provision that at your discretion, the legal action can also be started at the regional court having competence according to your domicile or habitual residence as well.
- IV.** Please be informed that the following person acts as the **Data Protection Officer** of HungaroControl: Dr. Anikó Fazekas (+36 30 851 2515, dpo@hungarocontrol.hu).
